Don't forget your appetites and your lawn chairs on Sunday: You'll be treated to awesome **dcghfUW'ZcX'UbX'' ]VU]cbg** with plenty of space around the lake to watch other racers finish their laps.

Thank you for racing with us, and we hope to see you at another Youphoria Productions event soon!

Warm Regards,

Run our 33K loop at the impeccably maintained **FYj YJ`YDYU\_ FUbW** , a 1,300-acre mecca of amazing trails, first-class facilities and outdoor adventure. The course features a mix of terrain that challenges runners while allowing for ease of passing and minimal choke points that can slow down lap times. Choose between a single 33K lap or the LT100 qualifier distance of 66K (2 laps). Portions of the course are slightly different from 2019 and will be CLEARLY marked to indicate the changes.

The singletrack sections are fast, fun and twisty with the right amount of rocks and technical features to keep things interesting. Speedy fire roads meander through the ranch, but don't lose focus because there are a couple sections of rugged granite shelves to navigate.

You must complete the 66K race in less than 12 hours to qualify for the Leadville Trail 100 Run. Our desire is to see everyone finish, and we will support you the best we can. However, if we do need to remove someone for missing the cutoff, the decision of the race official is final.

Racers who are registered for the 66K distance will NOT be allowed to change and compete in the 33K or 10K distance once the race has begun. This will be an automatic DQ. If you are registered for the 100K and wish to change distances, please see Youphoria Staff at the packet pickup area to switch the day prior to the race. Please know we are unable to provide a refund for the difference in price.
